## Bergen Cabling 10 Gigabit Outlets

BC Outlet CYB

BC Outlet 84x84

BC Outlet Frontline

BC Outlet 45x22.5

### Wall Outlets

Wall outlet with Bergen Cabling Cat6A connector is well suited for installation in trunk system, electrical poles and floor box solutions. All outlets are supplied with dust shutters and a big and easy to see field for label with protection for durable labelling. BC connector installs with a Click tool, and is of a short type that builds little in the trunk. This simplifies the installation and makes it fit in all trunking solutions.

All wall outlets are supplied with connectors and frames. Wall outlet for Thorsman Frontline and CYB is special developed with accurate colour, and is easily mounted with a soft push into the trunk, no trunk box or screws are needed. 45x22.5 outlets fits in most small trunking systems (French type), floor box solutions.

- ▲ Shielded
- ▲ Single and double
- ▲ Cable entrance from all sides
- ▲ Dust shutters and easy to see labelling field with protection
- ▲ Easy installation in most cable trace systems as well as wall mount solution

## Standards

---

Certified according to standard ISO11801 2. ed / EN50173-1 and support application up to an including 10 Gigabit Ethernet (10GBase-T). All outlets are produces in halogen free and 100% recyclable material.

The product is approved for use in Bergen Cabling 10 Gigabit Link solution, and DNV approved.
