Part. No: BC-13-23x   Rev. 1.2   Date 13/12-2024

Bergen Cabling Patch box 8/12-ports

8/12 port patch box for BC 10 Gigabit Cat6A connector

Bergen Cabling Patchbox for installation in harsh environment and in areas where you do not need 19" equipment. It can easily be mounted on the side of a cable duct, on walls or put on top of a shelf. The Bergen Cabling Patchbox comes in environmentally friendly aluminium and has an integrated list for strain relief at the rear of the box.
For use with the BC-11-006 Bergen Cabling DNV approved Maritime LAN Cat6A connector.
